The Yukon Water Board has approved the assignment of water use licence Y-AG89-002, a type B licence for Agricultural undertaking, from Yukon Game Farm Ltd. to the Commissioner of the Yukon Territory.

The Licence was issued October 10, 1989. The assignment does not constitute any change to the project, except a change to the name of the proponent.

The following documents were received in support of the application:

Declaration of Licensee  
Declaration of Assignee

The declaration of the assignee confirms that the assignee accepts all legal rights and obligations confirmed by the water use licence, including any obligations of the assignor.

Government of Yukon, Department of Environment were notified of the application, and advised that they had no concerns.

The *Waters Act* ("Act") and *Waters Regulation* require that the Board shall authorize the assignment of a licence if the Board is satisfied that the sale or other disposition of the property and the operation of the project by the assignee will not be likely to result in a contravention of either the licence or the *Act*.

The Board is satisfied that the requirements of the *Act* have been met and the assignment is therefore authorized.
