REASONS FOR DECISION
ASSIGNMENT OF WATER USE LICENCE AG95-003

The Yukon Territory Water Board ("the Board") has approved the assignment of water use licence AG95-003, a type B licence for Agricultural Undertaking, from Sylvia Hackney to Wayne A. Grove.

Water Use Licence AG95-003 was issued August 30, 1995. An Environmental Assessment was completed in accordance with the requirements of the Canadian Environmental Assessment Act. The assignment does not constitute any change to the project, except a change to the name of the proponent.

The following documents were received in support of the application:

Declaration of Licensee
Declaration of Assignee
Agreement of Sale

The declaration of the assignee confirms that the assignee accepts all legal rights and obligations confirmed by the water use licence, including any obligations of the assignor.

The Yukon Waters Act and Regulations require that the Board shall authorize the assignment of a licence if the Board is satisfied that the sale or other disposition of the property and the operation of the project by the assignee will not be likely to result in a contravention of either the licence or the Yukon Waters Act.

The Board is satisfied that the requirements of the Act have been met and the assignment of this licence is therefore approved.
