Water Board**

*Office des eaux  
du Yukon*

## ***MEMORANDUM***

Exhibit 1.2 consists of oversized maps that have been provided by Icy Waters Ltd. as part of the application. The maps are titled:

- ***Map 1 Porter Creek***
- ***Map 2 McIntyre Creek***
- ***Map 3 Highest Total Phosphorous at Each Sample Site Summer 2006***
- ***Map 4 Lowest Total Phosphorous at Each Sample Site Summer 2006***
- ***Map 6 August 2007 Investigation and Comparison of TP and Algae Growth at Eleven Sites along the Klondike Highway (Mayo Road)***
- ***Map 7 August 2007, Investigation and Comparison of TP and Algae Growth at Eight Sites along the Alaska Highway***

The maps are not reproducible for copying or electronic transmission.

If you wish to view the maps, please visit the Yukon Water Board office at:

Suite 106-419 Range Road  
Whitehorse, YT Y1A 3M5

Sincerely,

A handwritten signature in cursive script, appearing to read "Kelly Boutilier".

Kelly Boutilier  
Licensing Officer
