Whitehorse, YT Y1A 2C6

**Re: WATER USE LICENCE MN08-077, Village of Carmacks Wastewater Treatment Facility**

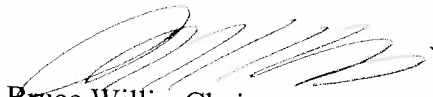

Attached, for your approval, is water use licence MN08-077, which is a Type A municipal water use licence, granting approval to the Village of Carmacks to deposit treated municipal wastewater into the Yukon River and to dispose treated septage in an existing disposal facility.

This project has undergone an environmental assessment pursuant to the *Yukon Environmental and Socio-economic Assessment Act*. The Board determined not to hold a public hearing when no requests from interveners for a public hearing were made by the requested deadline.

The Board has now concluded its final deliberations and is seeking your approval of the attached licence.

Should you be favourably inclined to grant approval pursuant to the requirements of the *Waters Act*, the Board will proceed to issue the licence.

Yours truly,

  
Bruce Willis, Chairperson  
YUKON WATER BOARD

Encl.: Water Licence MN08-077
