RE: Water Use Application MN10-038 - correction to application number from MS10-038 to MN10-038

Please note that there has been a correction to this application's Water Use Application number from MS10-038 to MN10-038. The register exhibits have been stamped with MS10-038, as the application was deemed to be a miscellaneous undertaking but is in fact a municipal undertaking. This memo serves as the correction to the incorrectly stamped pages.

Sincerely,

A handwritten signature in cursive script that reads "Jennifer Logan".
