

**IMPORTANT INFORMATION ABOUT
YOUR WATER USE APPLICATION # Pm08-606**

In most cases, the Yukon Water Board cannot issue a water use licence until a Decision Document has been issued under the *Yukon Environmental and Socio Economic Assessment Act* ("YESAA"), and any licence that is issued cannot be contrary to that Decision Document.

Once you have received your Decision Document from the YESAA process, please provide us with the attached form indicating that your Water Use Application conforms to the Project proposed and assessed by YESAA and incorporates any required changes that have arisen during that process.

You can e-mail the form to us at ywb@yukonwaterboard.ca or send it by fax to (867) 456-3890.

If your project has changed, please provide the Water Board with either a new, or an amended, application.
