Dear Mr. Jardine:

**Re: Water Use Licence and Mining Land Use Approval Application PM09-651,  
Jarvis Creek, a tributary of Minto Creek – Permission to operate**

Thank you for your recent submission of November 13, 2009 of the additional information and the submission of power of attorney forms for Patsy Taylor and Mike Dettling.

Unfortunately, the power of attorney forms submitted do not state that you have the right to operate on behalf of the claim owners. In order for the Water Board Secretariat to continue processing the above noted application, we require that you submit an agreement between yourself and Patsy Taylor, Mike Dettling, Earl Jardine and Lorelie Jardine.

The agreement can be in the form of a letter signed by the above that states that you have permission to obtain a Water Use Licence and operate on the claims registered in their names.

Upon receipt of the agreement, the Water Board Secretariat will continue processing your application.

Sincerely,

  
Jason Colbert  
Licensing Officer
