Hi Kelly,

In regards to the e-mail of Nov. 10/09. Here are the corrections and updates. Pages are sent in order of the numbers on the e-mail. #4, I tried to get a claim status sheet from the internet, to no avail. So I included one from Aug. 14/09 and marked the claims that are on the water licence and they are all in good standing till mid 2010. #6, I have e-mailed Erick Raguth to contact Fisheries.

Please e-mail us if you need anything else.
