**Re: Water Use Licence Application and Class IV Mining Land Use Approval
PM09-654 – YWB Project Confirmation Form**

Thank-you for your recent submission of the YWB Project Confirmation Form submitted on December 29, 2009.

Upon review of the Yukon Environmental and Socio-economic Assessment Board's (YESAB) Online Registry, it has come to my attention that the Decision Document is not yet completed. The Evaluation Report has been released listing the recommendations of YESAB to the Government of Yukon, however it is still up to the Government of Yukon to accept, reject or vary the recommendation. Upon issuance of the Final Decision Document by the Government of Yukon, please re-submit your YWB Project Confirmation Form.

Should you have any questions or concerns regarding this matter, please contact me directly at (867)-456-3982.

Sincerely,

A handwritten signature in black ink that reads "J. Colbert" with a stylized flourish.
