**RE: WATER USE APPLICATION QZ01-051, WOLVERINE ADVANCED
EXPLORATION**

This application was submitted May 16, 2001. On September 10, 2001, this application was placed on hold as you requested.

Currently the information that is needed for this application to proceed is included in my letter to you dated July 16, 2001, which I have attached for your convenience.

Our files indicate that no further information has been received, since the application was placed on hold. As a reminder, if the information is not provided, no further action can be taken on this application. If the information is not available at this time, please provide an indication that you intend to proceed with this application at a later date and an estimate of when the information might be available.

Please contact this office in writing, by April 15, 2004, with the status of this application so that we can update the file.

If you have any questions, you can contact me collect at (867) 456-3980.

Sincerely,

A handwritten signature in cursive script that reads "Jennifer Cleese".
