Re: Water Use Application QZ04-063, Ketz River Holdings, Cache Creek

REVISION TO APPLICATION

The applicant, Ketz River Holdings, has changed the proposed expiry date of the licence from September 2007 to December 31, 2009. This change to the application will not have any impact on the public hearing date or the intent date.

The public hearing into this application is scheduled to take place on April 11, 2007.

The deadline for submission of interventions will be twelve noon on March 12, 2007.

For information about this application, or about the Yukon Water Board process, please visit our website at <http://www.yukonwaterboard.ca> or contact our office.
