Re: Water Licence Application # QZ04 – 63 Ketza River Holdings

Notice of Intervention to Intervene

Dear Judi,

Please accept our intervention letter on the above caption for the following reasons:

- 1) The community of Ross River is located down stream of this mine and that we very concern of the tailing dam and the seepage of water under the dam.
- 2) There should be an over all look at the site for any discharge into the water from the waste rock piles.
- 3) Monitoring of the site on the water.

These are our submission, for more information or question on this please contact us at 867-969-2097, Testloa Smith

Souga sin la,

Chief Jack Caesar
