Dear Ms. White:

Re: Application Number: QZ04-065, Yukon Zinc Corporation - Wolverine Project.

Liard First Nation and Ross River Dena Council are requesting additional time to review the above stated application. Our suggested date for extension for submission is April 13th, 2007.

Representatives from both Liard First Nation and Ross River Dena Council have discussed this extension with the Yukon Zinc Corporation and have had favorable response.

Please contact Laurie Allen at Liard First Nation's Lands and Resources Department and Testloa Smith at Ross River Dena Council's YESAA Department at your earliest convenience for additional information.

Sincerely,

Liard McMillan
Chief
Liard First Nation
