**RELIANCE ON TECHNICAL REPORTS
CARMACKS COPPER PROJECT, YUKON
WESTERN COPPER CORPORATION**

Dear Mr. Clegg,

Golder Associates Ltd. acknowledges that the reports dated between November 2006 and the present prepared for Western Copper Corporation with regard to the Carmacks Copper Project and in support of their "Water Use License" application submitted to the Yukon Water Board may be relied upon by the Yukon Water Board, and the federal and territorial regulatory agencies responsible for review of such reports.

If there is a need for clarification, the contact within Golder Associates for the work is Fiona Esford.

Yours very truly,

GOLDER ASSOCIATES LTD.
