**Subject:** Carmacks Copper Ltd. - Exhibit 4.7 - contingency plan

**Re: Clause 11 of the QML**

Jonathan:

I have been directed to ask you to submit the **contingency plan** that was generated as part of clause 11 of the Quartz Mining Licence and submitted to the Department of Energy, Mines and Resources in January 2010. This document will be added as an exhibit under supplemental information.

Thanks.
